Closing date for applications: 8 July 2019

Open Strings to Grade 8 aged 6 – 14

Pre-instrumental classes for 4-6 year olds (*mornings-only option available for preschool children*)

Come and join in our special mix of musical activities: chamber ensembles, singing, orchestra, music skills, games and instrumental techniques.

You are never too young to enjoy making music with others. Any child learning a bowed string instrument will love playing with others of a similar standard whilst developing their own musical and instrumental skills.

Can't afford it? Don't let it put you off. We have some arrangements for financial support. Tick the box on the form and we'll be happy to discuss it with you.

Like to help another child attend? Some families have very kindly offered to help another child attend the course by donating to help fund another place. Please see the special box on the form if you'd like to help with this.

Numbers are strictly limited for each course: applications received close to the course date will only be considered if numbers allow and **do not** receive the Early Bird Discount.

NB: Most children will spend more than one year in each strand. Decisions on strands must be at the discretion of the directors as the standards tend to vary from course to course.
